

Green Star Application Form

The Green Star Award recognizes ministries that have completed at least three significant activities that foster awareness of our spiritual oneness with the Earth and promote active care of creation. Submit as many activities accomplished in the 12 months prior to the All applications submission day of September 30, 2026. Applications must be supported by appropriate documentation including videos, pictures, newspaper articles, announcements, brochures, etc. Following review by the UEA board and Advisory Council, awardees will be individually notified and celebrated. Awardees will be featured on the UEA website, the UEA EarthCare Facebook page, in the EarthCare Connections newsletter, and submitted to Unity World Headquarters or other New Thought organizations as appropriate for recognition. Each ministry will receive a certificate suitable for framing. Complete this application form based on the attached PDF. All fields should remain optional unless the PDF clearly marks them as required.
