ReLeaf Michigan

Annual Volunteer Appreciation

October 24, 2021

Dear Vic.

You have surely been, and are, the 'Right Person in the Right Place at the Right Time' during our eleventh year as Friends of Unity. Trees will be planted in Michigan in honor of you by the ReLeaf Michigan organization.

Just as a tree provides clean air to breath, your generous spirit has provided breath for this ministry. I know who you are: the Love that is God in expression and the Wisdom that is our Universal Design ensuring divine support for all.

Love, Kathy

ReLeaf Michigan: Working with community volunteers, planting nearly 30,000 trees on public property annually in Michigan's cities, towns and villages.
