

**Covenant adopted by the UWM Board of Trustees,
January 2019**

“The earth does not belong to man—man belongs to the earth”.

“All things are connected like the blood that unites us all”.

“Man did not weave the web of life; he is merely a strand in it”.

“Whatever he does to the web, he does to himself”.

The Unity first principle states that there is only one presence and one power pervading the entire Universe. Unity Worldwide Ministries is committed to embodying this principle and honoring our Oneness with the earth. Recognizing that we live in a web of interconnectedness, and our actions affect the whole, we endeavor to touch the light earth lightly and with reverence. And we encourage our members to do the same.
